ATTN.: DRAWING REVIEW BRANCH

Dear Sir:

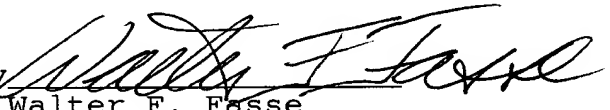

- 1) Applicants are enclosing seven sheets of revised drawings showing proposed corrections marked in red, in which the sub-figures (a), (b), (c) and (d) of original Fig. 1 have been separately labelled as Fig. 1A, Fig. 1B, Fig. 1C and Fig. 1D.
- 2) To more clearly show the three separate curves or lines of data points in original Fig. 6, it is proposed to separate Fig. 6 into three separate Figures, namely Fig. 6A, Fig. 6B, and Fig. 6C.
- 3) In order to more clearly show the three separate lines or curves of data points in original Fig. 7, it is proposed to divide Fig. 7 into three separate Figs., namely Fig. 7A, Fig. 7B, and Fig. 7C.

- 4) Since these corrections merely involve relabelling Figures and dividing an original Figure into distinct sub-figures, no new matter is involved. Approval of the proposed revisions is respectfully requested. Proper formal drawings incorporating the present revisions will be filed once the application has been allowed.

Respectfully submitted,

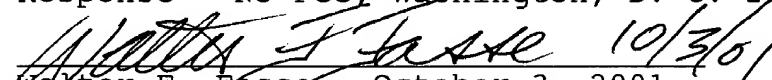

Takao NAKAMURA et al.
Applicant
